## GOVERNMENT OF MAHARASHTRA

### State Common Entrance Test Cell

### Introduction

Digital Locker, one of the key initiatives under the Digital India initiative, is aimed at eliminating the usage of physical documents and enable sharing of e-documents across government agencies via a mechanism to verify "authenticity" of the documents online. Residents can also upload their own electronic documents and digitally sign them using the e-sign facility. These digitally signed documents can be shared with Government organizations or other entities.

MH State CET CELL has introduced authentication of candidates via Digilocker for FY 2026-27 examinations. Hence candidates registering for MH CET examinations will have to validate their account with Aadhar & APAAR IDs.

### USER ID CREATION:

1. Visit the Digi Locker Portal at <https://www.digilocker.gov.in/>
2. Click on the "Login/Register" button on the top corner.

The screenshot shows the DigiLocker homepage. At the top right, there is a red box highlighting the "Login / Register" button. The page features a banner about the "Digital India Milestone" where NeGD Achieves Pan-India Integration of 2,000 e-Services. It also features a "National Disaster Alerts" section and a "View All" button. The DigiLocker logo and the Government of India logo are visible at the top left.

3. Enter Mobile Number and click on Continue

The screenshot shows the "Login or Create Account" page. A red box highlights the input field for "Mobile Number". Below the input field is a "Continue" button. At the bottom, there is a link to "Terms of Services" and a note about using Aadhaar Number if facing trouble. The DigiLocker logo and the Government of India logo are visible at the top left.
